Livestock Weighted Average Report for 11/21/2023 - Preliminary

### SPECIAL

	This Week	Last Reported 11/22/2022	Last Year
Total Receipts:	2,343	5,582	5,582
Feeder Cattle:	2,343(100.0%)	5,582(100.0%)	5,582(100.0%)

Green City Livestock kicked off their Annual Thanksgiving Sales on Tuesday with a Yearling Special. No recent market test was available for the several loads and part loads that moved through the ring throughout the day but the undertone was higher. Quality was excellent and condition was about right on most of the cattle with the bulk of the offering coming from longtime reputation producers and backgrounders throughout the trade area. Buyers could best be described as "cautiously optimistic" with no new good or bad industry news the last few days. Live and Feeder Cattle futures have moved mostly sideways after massive sell offs the past couple weeks, creating a lot of volatility recently in the cash feeder trade but Tuesday's market found some footing and moved in the right direction. Virtually all the cattle on offer weighed over 600 lbs, ahead of Friday's Calf Special. Supply moderate, demand good. Supply included: 100% Feeder Cattle (58% Steers, 42% Heifers). Feeder cattle supply over 600 lbs was 90%.
